A Bittersweet adieu: celebrating the legacy of class X and XII

The school auditorium transformed into a kaleidoscope of emotions as we bid a grand farewell to the Class XII (Science & Commerce) batches and hosted a heartfelt Good Luck Party for Class X. The evening was graced by our esteemed Chairman, Hon. Kishor Bhai Wani, and Vice Chairman, Mr. Siddharth Bhai Wani. They blessed the students with words of wisdom, urging them to lead with integrity. Our Principal, Dr. Chaya Sharma, delivered a stirring speech, reminding the scholars to carry the school's values as their compass in the professional world. The event, meticulously organized by Class IX and XI students and their Class Teachers, was a perfect blend of energy and nostalgia. The juniors set the stage on fire with vibrant dance performances, ranging from high-octane Bollywood hits to touching contemporary acts.

The atmosphere grew even more electric with a series of fun games designed for the seniors. From "Rapid Fire" rounds and "Musical Chairs" to "Identify the Teacher," the auditorium was filled with roars of laughter, momentarily easing the pre-exam jitters.

CBSE 10th & 12th Board exams begin at KRP school

The annual examinations of the Central Board of Secondary Education for Classes 10 and 12 have successfully commenced at KRP School with a disciplined and positive atmosphere. Students arrived early in neat uniforms carrying admit cards and essential stationery, showing both confidence and excitement. According to the official schedule, the board examinations started on 17 February 2026 and will continue for several weeks for different subjects. The school administration made proper seating arrangements, displayed roll-number wise rooms, and ensured strict checking at the entry gate. Teachers and invigilators guided students calmly to reduce exam stress.

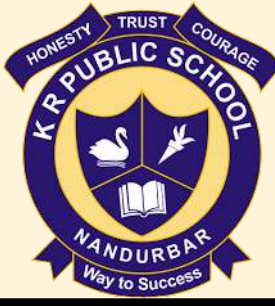

Business Standard +1

Special attention was given to cleanliness, drinking water, and silence in the campus so that students could write their papers comfortably. Parents were also cooperative and wished students good luck outside the school premises. The first day of the examination was conducted smoothly without any difficulty. Students appeared focused and well-prepared, marking a confident beginning to this important academic milestone.

Nurturing Resilience: KRPS hosts enlightening 'Pariksha Pe Charcha' session

KRPS recently organized a vibrant viewing and interactive session of Pariksha Pe Charcha, the annual dialogue where students across the nation connect with the Prime Minister to navigate the pressures of examination seasons. The event saw enthusiastic participation from students of Classes VI to XII, alongside the dedicated teaching staff and school leadership. The session, held in the school auditorium, aimed to transform the perception of exams from stressful hurdles into "festivals of celebration." Students watched intently as various strategies for time management, the importance of self-confidence, and the role of digital fasting were discussed. The atmosphere was one of focused engagement, with students taking notes on how to maintain a healthy balance between academic rigor and personal well-being. Following the broadcast,

Principal Dr.Chaya Sharma took the stage to lead a personalized mentorship session. Addressing the unique challenges faced by different age groups—from the foundational years of Class VI to the high-stakes environment of Class XII—she emphasized that marks are merely a milestone, not the destination.

KRPS Organizes Motivational Seminar on Competitive Exam Preparation and Career Success

KRPS Nandurbar organized a highly inspiring and motivational seminar on 10th February 2026, where the keynote speaker, Narendra Yadav sir from kota (Raj.), addressed students on the "importance of Foundation, Discipline and dedication. In an enlightening and motivational seminar, NK Yadav Sir addressed students on one of the most crucial aspects of academic and career success—strong foundation, preparation for competitive exams, discipline, and dedication. His powerful words inspired students to rethink about their approach toward studies and long-term goals. NK Yadav Sir emphasized that "Success is built on a strong base." He explained that without conceptual clarity in basic subjects like Mathematics, Science, and English, students often struggle in higher classes and competitive exams. He discussed about major competitive exams such as : JEE main, NEET, UPSC Civil services examination. He explained that these exams are not just tests of knowledge but tests of patience, strategy, time management,

and mental strength. Lakhs of students compete every year, but only those with discipline and dedication reach the top. By focusing on foundation learning, disciplined routines, dedicated effort, and strategic preparation for competitive exams, students can confidently move towards a bright and successful future. They shared practical tips how students can manage exam, stress, improve concentration, and maintain a positive outlook through simple daily practices. " Education is not just about marks; it is about building character. " This seminar reminded us that being a good human being is the first step toward being a successful professional.

KRPS achieves milestone in Olympiad exams second-level

We are proud to announce that the 2nd Level of the prestigious IEO (International English Olympiad), NSO (National Science Olympiad), and IMO (International Mathematics Olympiad) will be conducted on 15th February 2026. These Olympiad examinations are organized by the Science Olympiad Foundation and aim to promote academic excellence and competitive spirit among students at national and international levels. This year, a total of 333 students have qualified and will be appearing for the 2nd Level examination. We are delighted to share that 26 students from our school have been selected for this prestigious level. This remarkable achievement reflects the hard work, dedication, and academic strength of our students and teachers. Selection to the 2nd Level itself is a matter of great pride, as only top-performing students from the 1st Level examination qualify for this stage. Our students have demonstrated exceptional performance in English, Science, and Mathematics. We congratulate all the selected students and wish them the very best for the upcoming examination. We are confident that they will continue to uphold the reputation of our school with outstanding results.
