THANK YOU

Navigating the Boards: A Note to Our Class X & XII Students

As we enter February 2026, the focus at KRPS shifts entirely toward the upcoming CBSE Board Examinations. This is a defining moment for our Class X and XII students, and we want you to know that the entire school stands behind you.

The Final Stretch:

Preparation is more than just long hours of study; it is about strategy and mindset. At this stage, your priority should be systematic revision and solving sample papers to build speed and accuracy. Do not let the pressure overshadow your potential.

Golden Tips for Success:

Consistency over Intensity: Stick to a balanced schedule rather than pulling all-nighters.
Mental Clarity: Take short breaks to recharge. A refreshed mind retains information better than an exhausted one.

Precision: Read every question carefully before answering. Presentation and clarity are your best friends in the answer sheet.

To Our Supportive Parents :

Your encouragement is the greatest stress-buster for your child. Create a calm atmosphere at home and celebrate their effort more than the expected outcome.

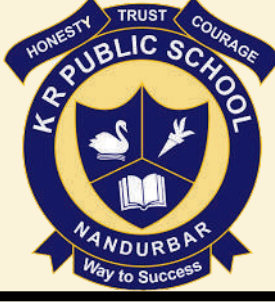

We have full confidence in the talent and hard work of our students. Approach your exams with a positive spirit and the determination to excel.

Wishing every student of KRPS great success and a brilliant performance!
