Parents' Orientation Programme at KRPS School

KRPS School organized a Parents' Orientation Programme to warmly welcome new parents and help them understand the school's educational philosophy and operations. The event began with a welcome speech from the Principal, who highlighted the school's vision, mission, and key achievements over the years. Teachers introduced themselves along with the classes and subjects they teach. The Principal then gave a detailed presentation about the curriculum, teaching methodologies, assessment patterns, and the various co-curricular and extra-curricular activities offered by the school. She also shared tips on how parents can support their children's learning at home.

The programme provided an open platform for parents to interact with teachers and clarify any questions they had. The management assured parents of the school's commitment to the all-around development and safety of every student. The aim of the orientation was to establish a strong and transparent relationship between the school and the parents, ensuring effective collaboration for the betterment of the students. Overall, the programme was informative and well-received by all attendees.

Student Council Election at KRPS School

The School Student Council Election at KRPS School was conducted successfully with great enthusiasm and discipline. For the first time, the voting process was done digitally, giving students hands-on experience of a modern and transparent election system. Candidates stood for key posts such as School Leader (Boy and Girl) and Head Boy and Head Girl. A total of 686 students from Grade 5 to Grade 12 actively cast their votes through the digital platform. The main aim and motive behind organizing the election was to instill democratic values, build leadership skills, and encourage students to participate responsibly in school activities. It also helped students understand the importance of free and fair voting and decision-making.

The smooth conduct of the election showcased the students' sense of responsibility and the school's commitment to nurturing future leaders. Overall, the event was a big success and set a good example of digital democracy in the school environment.

Seed Germination Activity – A Hands-on Learning Experience

On 2nd July 2025, KRPS Shishukunj organized a delightful Seed Germination Activity for students from Jr. KG to 2nd Standard. The event was designed to introduce young learners to the wonders of plant life through a fun, interactive, and educational experience. To ensure smooth execution, teachers made all the necessary arrangements by providing materials like seeds, soil, plastic cups, and water. The children received their setups in groups to observe the magical journey of a seed turning into a plant. The activity began with teachers explaining the stages of germination through engaging charts, real seeds, and storytelling. A sunny spot was chosen for placing the cups, ensuring the seeds received ample sunlight.

In a step-by-step and guided manner, students learned how to fill cups with soil, sprinkle water, and gently plant their seeds. Teachers emphasized daily care, reminding children to keep their cups near sunlight and water the seeds regularly. As days passed, children excitedly observed the sprouting of roots and shoots, deepening their curiosity and understanding of nature.

Mask Making Activity at KRPS Shishukunj

Our school, KRPS Shishukunj, recently organized a fun Mask Making Activity. Students made masks using paper plates, colors, and other materials. They could create any mask they wanted - animals, superheroes, or something imaginative. The Art teacher guided the students, teaching them how to make masks. The students cut, colored, and decorated their masks with enthusiasm. The results were amazing! Each mask was unique and showed the student's creativity.

This activity helped students express themselves, develop fine motor skills, and think creatively. Everyone enjoyed making masks and showing them off to friends and family. The masks were colorful and lively, making the event memorable. The Mask Making Activity was a fun way for students to learn and be creative. It helped them develop problem-solving skills and confidence. We look forward to more such activities in the future.

Good Touch Bad Touch

The Extension activity titled "Good Touch-Bad Touch" was organized by KRPS. The event was held on 23/07/2025, Wednesday, in accordance with the CCA activity, planned by the school teachers, and the program was designed by Mrs. Hetal Patil and Archana Bari. It was hosted by Ms. Minal Mali, Ms. Khushee Nankani, and Mr. Rishikesh Bhavsar.

The primary objective of this initiative was to educate children about personal safety, empowering them to recognize the difference between appropriate and inappropriate touch and encouraging them to speak up against any uncomfortable situations. The session was attended by children aged 4 to 10 years. The participants were eager to engage in discussions and activities related to personal safety. The education aims to teach children about appropriate behavior, good touch, and bad touch. Children learnt about boundaries in early life, including touching, hugging, and kissing. Together, "let's build a world where every child feels safe, happy, and heard. The school believes that such initiatives are crucial in shaping the future of their students and ensuring their well-being. The students left the session with a better understanding of how to protect themselves and feel confident in expressing their boundaries.

Daily Update: The Times of India

KRPS with the strong support of the school management, has initiated a thoughtful and impactful educational program in collaboration with The Times of India, which commenced on July 1, 2025. As part of this initiative, The Times of India newspaper is being circulated to students from Monday to Friday at a 50% concessional rate. The school has taken the generous step of bearing 50% of the total subscription cost, ensuring that parents need to contribute only Rs. 50 per month.

This initiative is designed with the purpose of promoting the overall development of students by integrating daily newspaper reading into their academic routine. Reading newspapers regularly offers a wide range of benefits. It helps students improve their vocabulary and strengthen their English language skills through exposure to diverse content and real-world usage of the language. It also helps in cultivating a consistent reading habit, which is essential for academic success and personal growth. Furthermore, newspapers provide up-to-date information about current affairs, which enhances students' general knowledge and keeps them informed about national and global issues. This in turn, nurtures critical thinking, better comprehension, and analytical skills. This initiative reflects the school's commitment to quality education and its continuous efforts to provide students with resources that support their academic journey and personal development. The management's encouragement and forward-thinking vision have played a crucial role in making this enriching initiative possible.
